Zoe has been an invaluable member of our campus community since joining the Basic Needs Center (BNC) team in Fall 2022. Her contributions and dedication to serving her fellow peers have been nothing short of exemplary. Through her compassionate demeanor and exceptional customer service skills, Zoe has welcomed countless individuals with a warm smile and provided them with the support they need. She goes above and beyond to ensure that her peers are aware of the services offered by the BNC and are able to access them without hesitation. In addition to her role at the BNC, Zoe has also made significant contributions to our campus community through her photography work with the Office of Communications. Through her lens, she captures the beauty of our campus, showcasing its diversity and vibrancy to the broader community. What truly sets Zoe apart, however, is her transformation from a timid individual to a confident campus leader. Over the past few years, Zoe has demonstrated tremendous growth, emerging as a role model for her peers. Her willingness to step up and take on leadership roles has had a profound impact on our campus community, inspiring others to do the same. We thank you for your dedication and support. We are confident that Zoe will continue to flourish and make a positive impact in her next chapter. Congratulations!
