Submitted by Katie Laris

Adam Escarcega has been a hard-working student in the theatre arts department for over 12 years. He is more than a student to us, he embodies our values, acts as a mentor to new students, and is a friend to all. We all know that we can count on Adam whenever help is needed. Over the years, he has tirelessly worked on shows as a Stage Manager, Audio Engineer, Light Board Operator, Sound board Operator, Fly Operator, StageHand and more. Whatever position he takes on, he is a consummate professional bringing an attention to detail, consistent leadership and exceptional communication skills to every production. We are delighted to honor him as our Outstanding student of the year, and are so appreciative of everything he has contributed to the department.

Adam's Words of Gratitude

It is such an honor to be receiving this award. I would like to thank all of the faculty of this department for this nomination. My time with the SBCC theater department has been a wonderful journey. In my time here I have learned how to become a professional Stage Manager and could not have done it without the trust and support of the department. I have made great friends with each show that I have been part of. I am grateful for the opportunity to have worked for this department for as long as I have. I would like to say thank you to my family and partner for all of their support.
